## About Me

Hello there! My Name is Robert Cox and I am a budding front End/Full Stack developer who graduated with an Internet and Database Systems MSC (Merit, 2.1) and I am looking for Internships and Junior roles. I am proficient in using HTML, CSS, javascript, JQuery, Basic Node.js, Basic PHP and i am ready and willing to learn more in order to become the best Front End/ Full Stack Web Developer I can be.

# Robert Cox
